I was looking for a family doctor in Winnipeg and was able to find Dr. A in health hub, the clinic staff are extremely helpful and the doctor is excellent. I am satisfied with their services. The on-site Pharmacy is great as well!

Thank you guys for taking care of my dad and mom. We needed a family doctor and you provided us with the best doctor and support during the difficult times we were through. Highly recommended clinic.

I am happy to write this review on behalf of Health hub clinic. They deserve all kind of appreciation for what they do for their patients and their families. Highly recommended if you are looking for a family physician or a walk-in appointment.

Additionally, we exchange the indoor air within our clinics every 5 to eight minutes, which reduces the danger of any transmission mechanism.

• Wiping the lounge seats after each use• Cleaning exam rooms after each visit• Spacing out patient appointments to scale back the number of patients in our lounge• Practicing social distancing whenever possible so as to assist keep everyone safe, we ask that any patients visiting the clinic wear a mask to their appointment.

Since the pandemic began, we have not had one COVID-19 outbreak in our facility. together with your help and our updated policies, we will keep everyone safe while they attend any of our clinics.

One of the best things that happened to me and my wife was switching clinics to go there. The doctors are helpful, knowledgeable and thorough. I definitely recommend this clinic to anyone looking for a new physician.

The most professional, caring and friendly doctor and staff. Thank you guys for your dedication and care. This is what life is about.

The best clinic in Winnipeg! The girls are helpful and nice all the time. I recently started going there to see a new doctor and everything has been perfect. Thank you, guys!
